

Watch, Wait, & Wonder...

The Community Counseling Center

At California State University, East Bay
Sponsored by a generous grant from

HAYWARD
PROMISE
NEIGHBORHOOD

Hayward Promise Neighborhood

Is proud to offer this innovative play-therapy program to parents in our community with infants and toddlers (6 months – 5 yrs).

What is WWW...?

- Infant-led therapy where infant/toddlers and parents are active participants in the process
- Therapist helps parents engage in reflection of infant's/toddler's inner world of feelings, thoughts, and desires by observing the child at play
- The goal is to strengthen the parent/child relationship by providing an opportunity for a parent to observe and understand the child's spontaneous play
