Please check the website for dates and prices.

If your little one is not yet crawling, the classes are free!

The ***KINDERGYM*** classes are for children ages birth up to 3 years old accompanied by a parent or caregiver (younger siblings are welcome) and meet ***WEDNESDAYS AND THURSDAYS*** from 11:15-12:00. These are always \$10 DROP-INS, so there's no need to sign up. Kindergym is only \$5 if attending the earlier Toddler session on the same day.

The class is in a large room filled with tons of wonderful equipment, all matted. We have lots of slides and climbers, a big ball pit, rocking horses, cozy coupe cars, a see-saw, little push cars for beginning walkers, a trampoline and much, much more.

The first half-hour is unstructured play on all the equipment, with the child's parent or caregiver following them around for safety. We have a fantastic time as I interact with all the little ones, help them learn sharing skills, etc. and helping the parents all meet each other as well. The last 15 minutes are very active, with parachute play, singing and bubbles.

The ***TODDLER*** classes are for children ages birth up to 3 years old with a parent or caregiver (younger siblings are welcome) and meet ***WEDNESDAYS, THURSDAYS*** from 10-11, ***FRIDAYS*** from 9:30-10:30 or from 10:45-11:45.

These classes have all of the Kindergym equipment described above, as well as a rice table, a painting and chalk easel, and a play dough table with lots of ways to create wonderful play dough shapes. We enjoy an unstructured period of 40 minutes, and then we have a circle time of 15 minutes after quick clean up.

The Wednesday and Thursday fun-filled circle times include stories, singing, bubbles, and a snack of graham crackers that the parents take turns bringing.

The Friday classes have a wonderful circle where we celebrate Shabbat with candle lighting, songs and challah, and bubbles, of course! Parents take turns bringing the snack of challah. ***Families of all beliefs are welcome!!***

Toddler families sign up for 1 class a week, paying only for the number of weeks still left in the session. You are encouraged to come on multiple days as desired, completing all classes you have paid for by the last day of the session.

Classes paid for in one session cannot be made up in any following session.
